# About Ved Infratech

VED Infratech dates back to its inception in the year 1997. It is acknowledged for creating modern residential projects in the prominent locations of Mumbai. Over the span of 20 years, VED Infratech has established its foothold in the Real Estate sector and acquired a benevolent name in the industry. In this period, VED Infratech has constructed more than 38 residential and 4 commercial projects, where every project was a turning point. Timely completion of projects coupled with strong planning, process innovation and quality control gives VED Infratech the edge.

VED Infratech understands that a home is not a mere necessity. It is built with several hopes and dreams. Hence we aim to create better experience for you where you can live blissfully, forever.
